

STUDYING IN MUSCAT

Nestled between the shores of the Arabian Sea and the Hajar Mountains, Muscat boasts a cosmopolitan urban environment. Indeed, for centuries served as a cross-cultural transit point for regional sea trade.

Unlike other Gulf cities, Muscat retains a more classic cityscape. The heart of Muscat's vibrant culture can be found in its bustling souqs. Here, both locals and visitors from abroad can immerse themselves in a diverse array of goods, from intricate textiles to fragrant frankincense, gleaming silverware, and a variety of aromatic spices.

Noor Majan Arabic Institute is located in the Al Khuwayr neighborhood, with close access to restaurants and some of the city's largest shopping centers.

Noor Majan Arabic Institute

THE NOOR MAJAN WAY

Immersion: Omani language partners are arranged for students, giving students structured opportunities to practice their Arabic freely.

Exploration: Regular institute-led excursions allow students to engage with broad sectors of Omani society and culture.

Rigor: Going beyond the standard Al Kitaab curriculum, instructors push students to excel in media Arabic and dialect classes.

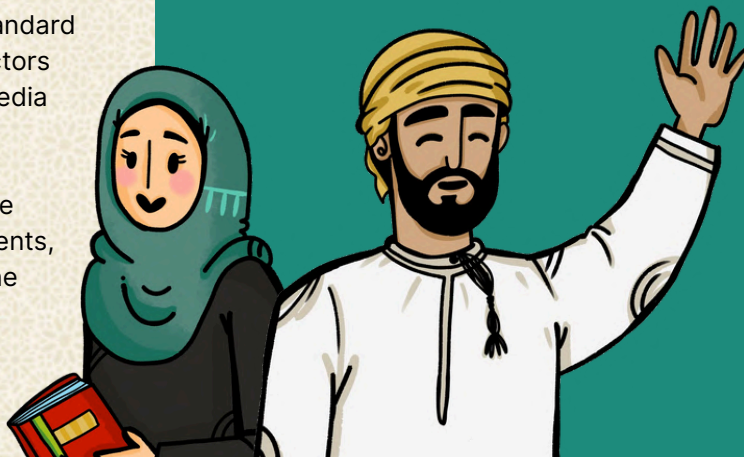

Housing: Students live in the institute's furnished apartments, located a short walk from the institute.

OUR STORY

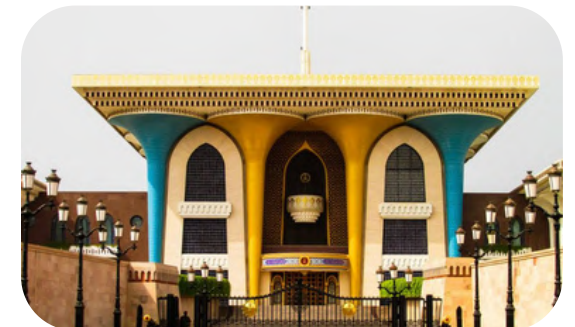

Since opening its doors in 2012, Noor Majan has cemented itself as one of the premiere Arabic language institutes in the Arab Gulf region. Some 200 study abroad students, professionals, and scholars pass through our classrooms during any given year.

In 2022, we expanded our operations to the interior city of Nizwa, where our Daaris Institute offers students an alternative study destination.

We place a strong emphasis on providing an immersive and enriching study experience. The exceptional quality of our language immersion programs distinguishes Noor Majan as one of only three institutes in the Arab world chosen to host students through the U.S. Department of State's prestigious Critical Language Scholarship program.

Throughout the year, institute staff organize and accompany students on exciting excursions to sites like the Sharqiyah Sands, Jebel Akhdar, Nizwa, and more.
