

STUDYING IN NIZWA

Known for its rich culture, stunning landscapes, and friendly people, Nizwa is an ideal destination for those who want to experience something new and unique.

Nizwa's traditional souq is one of the most popular tourist destinations in Oman, selling a wide variety of goods including pottery, silverware, and spices. Nizwa is also home to the Nizwa Fort, a 17th-century castle that offers a glimpse into Oman's history and architecture.

Students can take a break from studies to stroll through the city's old streets, admiring the traditional mud-brick houses and buildings, and experiencing the local hospitality. It's all in the neighborhood!

STUDY ARABIC IN NIZWA, OMAN

SUMMER | SEMESTER | GROUPS

An immersive study experience at Noor Majan's Daaris Institute in Oman's interior

WHY NIZWA?

Flexibility: Our Daaris Institute's structure leaves students with more free time to explore Oman.

Cost-effective: Unlike our Muscat campus, Daaris programs do not include the added cost of excursions and local language partners.

Independence: Nizwa's robust university community gives students the chance to meet Omanis on their own.

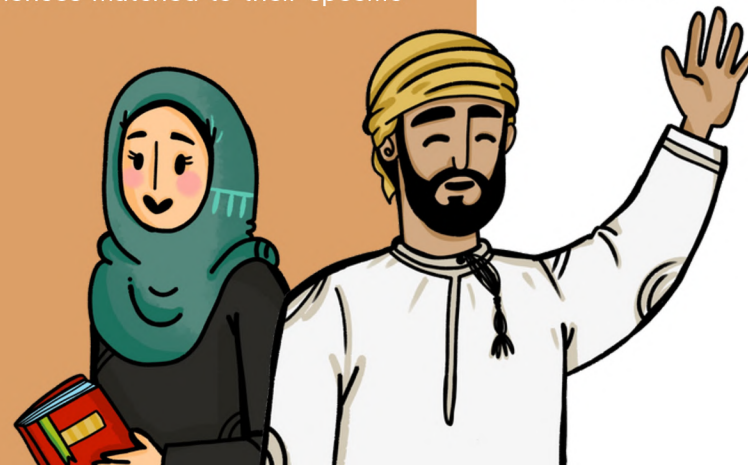

DAARIS INSTITUTE

Noor Majan opened its affiliated Daaris Institute in Nizwa in 2022 to accommodate intrepid students who prefer a more budget-friendly option with less structure. Between Nizwa and Muscat, we strive to offer students a more diverse range of study experiences matched to their specific needs.

Like our Muscat campus, the Daaris Institute emphasizes an immersive study experience. Our quality language immersion is why our Daaris Institute is one of only three institutes in the Arab world entrusted with hosting students through the U.S. Department of State's Critical Language Scholarship program.

We also regularly host U.S. Boren scholars, in addition to study groups from Marquette University and the U.S. Naval Academy.

“Seven months of immersion in the vibrant culture and language of Oman has indubitably elevated my Arabic but additionally has broadened my perspective and enriched my appreciation for the beauty of Omani culture
